## Professional Summary

Full-stack web developer passionate about building modern, scalable, and responsive web applications using React, Node.js, Express.js, MongoDB, and REST APIs. Experienced in frontend development, backend architecture, API integration, authentication systems, and database management. Focused on creating fast, user-friendly digital products with clean UI and efficient backend systems.

## Technical Skills

|            |                                                                    |
|------------|--------------------------------------------------------------------|
| Frontend   | React.js, JavaScript, HTML5, CSS3, Tailwind CSS, Responsive Design |
| Backend    | Node.js, Express.js, REST APIs, JWT Authentication                 |
| Database   | MongoDB, Mongoose                                                  |
| Tools      | Git, GitHub, Postman, VS Code                                      |
| Deployment | Render, Cloudinary                                                 |

## Projects

### Quick Stay Hotel Booking App

Full-stack hotel booking platform with hotel search, booking workflow, responsive dashboard UI, backend API integration, and MongoDB database management.

**Tech Stack:** React, Tailwind CSS, Node.js, Express.js, MongoDB, JWT

## **Naija Bite**

Restaurant web application for exploring Nigerian meals and menus with backend API support and responsive frontend design.

**Tech Stack:** React, Node.js, Express.js, MongoDB

## **Netflix-Style Movie Watchlist**

MERN stack movie tracking application with TMDB API integration, watchlist management, and persistent storage.

**Tech Stack:** React, MongoDB, Express.js, TMDB API

## **Full-Stack Task Manager**

Task management system with JWT authentication, protected routes, CRUD operations, and MongoDB persistence.

**Tech Stack:** React, Node.js, Express.js, MongoDB, JWT

## **Education & Training**

- Completed Secondary School Education (NECO)
- Aladdin Academy — Computer Fundamentals and Digital Skills Training
- Colab Innovation Hub — Full-Stack Web Development Training
- Udemy — Frontend Web Development Courses
- Coursera — Responsive Web Design and Web Development Certifications

## **Certifications**

- HTML & CSS Certification
- Responsive Web Design Certification
- Coursera Web Development Certifications
- Udemy Frontend Development Courses
